Episode #001 – Welcome & Introduction

Welcome to Way of the Bible Podcast – inspiring and empowering Christians of all measures of faith to simply believe God and follow Jesus. Join in with our host, Bible teacher and guide, Dr. Philip Zimmerman, as he explores the paths through Scripture that lead to life in the will of God; being joyful always, praying continually, and being thankful in all circumstances. Simply, by believing God and following Jesus. And now, DrZ

The Bible is the inerrant and inspired Word of God given to mankind, clearly communicating everything we need to know about God's eternal plan. God's plan is, and has always been, to establish his kingdom on earth and dwell in eternity with humans – including you, his child, by your faith in Jesus Christ.

On Way of the Bible podcast we will explore together the big picture of the Bible as well as the peaks and valleys of the wide expanse it traverses. Each episode will be based upon what the Bible says about God, mankind, our relationship, and all the other things around us. Over-time, you will begin to see, apprehend, and trust Scripture to completely answer any questions that may come to mind.

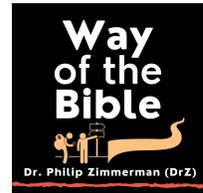

A little about me DrZ. I've read the Bible cover to cover every year for the past 35 years. It never grows old as the Holy Spirit always surprises me with new revelation. I've led multiple small groups, annual Bible reading discussion groups, discipleship studies, Bible studies, earned two seminary degrees (MDiv & DMin), was the Bible Dept. Head and taught Bible at a Christian school for twelve years with a focus on Christianity as life, apologetics, and worldview studies. Vocationally, prior to becoming an educator, I was in business in executive leadership and as a business owner and still continue vocationally as a business coach for executives and their management teams. I published a book last year entitled, *Unleash The Millennials and Save the World* which has to do with the alignment, development, and advancement in the workplace of the most educated generation in human history. Of all the things I've done, my passion is to lead believers through the Bible to discover on their own the incredible life blessing when we simply believe God and follow Jesus.

What we're going to cover in the next few episodes.

Episode (#002) will introduce God as creator. This is one of the foundational pieces to get set in-place first for believing God. Once you're settled that God is the creator of everything seen and unseen, huge obstacles will begin to move aside from your walk of faith and be put into their respective places.
